

Kids join forces for teddy bears' picnic

THE children of Grindleton CE Primary School invited pupils of Bolton-by-Bowland School to enjoy their teddy bears' picnic with them.

The weather was perfect for the picnic with the sun shining, so the children could revel outside on the lawn.

The children prepared some nice sandwiches, fruit salad and healthy vegetables with their teacher, and, for dessert, they had some cookies which the Bolton-by-Bowland children provided.

Before they could tuck into their picnic, the children had a teddy bear treasure hunt, which was enjoyed by all.

Many other events are also planned for the school pupils.

PICNIC TIME: For children of Grindleton Primary School and Bolton-by-Bowland School. (S)
